

Annual Meeting Swiss Society for Crystallography

Scientific Programme

EPFL

10 September 2025

08:30		Registration and Welcome Coffee
09:20	Arnaud Magrez and Pascal Schouwink	Welcome address
09:30 – 10:30	Materials at Extreme Conditions	Chair: Henrik Ronnow
09:30 – 10:00	Speaker: Natalia Dubrovinskaia (University of Bayreuth, Germany)	High-Pressure Crystallography as a Tool for Materials Discovery
10:00 – 10:15	Tba	Talk from abstracts 1
10:15 – 10:30	Tba	Talk from abstracts 2
10:30 – 11:00		Coffee break, posters, exhibition
11:00 – 11:10	PhD Award	SSCr PhD Prize Ceremony
11:10 – 11:40	Award Lecture: Yevheniia Kholina	Correlated disorder in Prussian Blue analogues: from understanding to the control of the local structure
11:40 – 12:00	Award of honorary memberships Hans-Beat Bürgi Hans Grimmer	
12:00 – 14:00		Lunch, posters, exhibition
13:00 – 14:00		General Assembly of the SGK-SSCr
14:00 – 15:00	Bulk materials discovery and crystal growth	Chair: Arnaud Magrez
14:30 – 15:00	Speaker: Olivier Mentré (University of Lille, France)	Tba
15:00 – 15:15	Tba	Talk from abstracts 3
15:15 – 15:30	Tba	Talk from abstracts 4
15:30 – 16:00		Coffee break, posters, exhibition
16:00 – 17:00	Nanomaterials	Chair: Raffaella Buonsanti
16:00 – 16:30	Speaker: Federica Bertolotti (University of Insubria, Italy)	Probing Structural Defects and Dynamic Disorder in Halide Perovskite Nanocrystals
16:30 – 16:45	Tba	Talk from abstracts 5
16:45 – 17:00	Tba	Talk from abstracts 6
17:00		Poster prize, farewell, lab tours
